University of Haifa Community Stands United with the Israel Defense Forces & The State of Israel

UNIVERSITY OF HAIFA EMERGENCY IDF EQUIPMENT FUND

Dear University of Haifa Family,

On October 7th, Israel awoke to a war whose course and devastating consequences are still unfolding. Israel is now fighting a war against Hamas and Islamic Jihad terrorism, with more than 300,000 IDF reservists mobilized.

The men and women of the IDF are on the front lines, safeguarding the security of the people of Israel. Their unwavering commitment to protecting their home, often in challenging and dangerous circumstances, is nothing short of inspirational.

We Need Your Help. We are asking our University of Haifa family to support a critical initiative: providing essential tactical equipment for the dedicated combat soldiers of the Israel Defense Forces.

We are partnering with an IDF Association in Israel that will purchase and deliver the equipment to IDF soldiers in Golani, Givaati, Paratroopers, and Reconnaissance Units.

These soldiers are putting their lives on the front lines to defend the values we cherish and the people of the State of Israel.

Your contribution will make a profound difference in the lives of our dedicated soldiers.

All donations will be used directly to purchase equipment. The Association is a verified Israeli NGO.

On behalf of the soldiers of the IDF, we want to express our heartfelt gratitude for your consideration and potential support. Your contribution will not only provide essential equipment but also send a powerful message of solidarity and support to those who stand on the front lines for the cause of peace and security.
